Dear SPCPA Families,

In an effort to reduce costs and relay school information to families in a timely manner, we would like to take advantage of opportunities to email families information that pertains to upcoming school events in lieu of sending it through the mail. We realize that that this form of correspondence may not work for everyone, and request that you reply by filling out and returning the form below if email is not an option of communication for you.

If you have any questions or would like to add or change an email address to the contact information that we have on file for you, please call 651-290-2225 ext.201 or email Jessica Joseph at josephj@spcpa.org.
