Please detail the rationale for the above change request. You must provide this information for your request to be considered. Thank you.

IMPORTANT NOTES:

- Due to the complexity of moving students to/from different learning models or in-person groups and its subsequent ripple effects, along with limitations of class sizes, a request for a change based on teacher, section, or wanting to be with friends may not be honored. We will do our best to accommodate all requests as best as we are able.
- Please be aware that some in-person courses may not be available on certain days when changing groups.
